Warlords II Deluxe - LOTR Scenario

Posted by LaDainian - 19 May 2011 22:21

Hi guys,

I've just started playing Warlords II Deluxe again. What a great way to kill some time.

I've been looking for a Lord Of The Rings scenario online but it seems they're pretty much all gone from the internet by now.

It seems that a scenario called "War of the Ring" made by a guy called Steve Strayer is probably the best scenario available.

This might be a longshot but does anybody have it? And if so would you be willing to share it?

Thanks.

There are lots of warlords 2 deluxe scenariors over at Bob Heeters Encylopedia:

Several of them appear to be Tolkien based, judging from the names. Me and KGB will make sure they are added to this site as well in the near future.
