Warlords3 Citadel BLGs appearance change

Posted by SteamWarlord - 03 Dec 2019 07:55

What this does:

Adds a building or other visual changes to the Citadels /Level 3 castles of Warlords Dark Lords Rising and Reign of Heroes.

Makes level 3 cities easier to identify at a glance.

For any Warlords 3 Dark Lords Rising (ie GOG) or Reign of Heroes install.

NO other changes have been made (ie no Army or Hero set changes)

How do I INSTALL?

Locate your install of DarkLords Rising, for example mine is

J:GamesWarlords III-Darklords Rising

inside you will find many documents and folders, the two you are interested in:

ie J:GamesWarlords III-Darklords Rising /CITY

Backup :

--CITY folder

Copy the archive contents of archive which is CITY folders, let it overwrite contents.

PLAY game

Screenshots (armies depicted are from WarLords_2_inTHREE mod.

Warlords3 Citadel BLGs can be used with ANY graphic hero /army set)
