Minotaurs - Race Info

Posted by TheGodbird - 21 Feb 2019 23:59

So I recently downloaded and installed the patch for 1.05 + 1.05B.

I noticed that there are Minotaurs race now.

I have read through the notes patch notes, but don't see any Unit info on this race.

Anyone have a table or a list for me?

Thanks.

Note that the race is technically called the Orges and not the Minotaurs.
