

Looking For Custom Warlords II Deluxe Scenarios!

Posted by Kon - 30 Oct 2014 17:30

Hi!

I am looking for any user made scenarios! I found the archive at www.heeter.net/warlords and now I want to play new maps!

Links to any custom scenario, army, city, maps, or terrain would be appreciated (Preferably .scz files)! Post here or message me 🍌
